Great Harbor, Massachusetts 2005
Water depth 5 m

Average daily water temperature, °C

Temperature logger located at Iselin Dock, Woods Hole Oceanographic Institution, Woods Hole, MA
Depth of logger is 5 m relative to Mean Lower Low Water
Temperature range of partial record is 3.4 to 22.6 °C
Great Harbor, Massachusetts 2006
Water depth 5 m

Average daily water temperature, °C

Temperature logger located at Iselin Dock, Woods Hole Oceanographic Institution, Woods Hole, MA
Depth of logger is 5 m relative to Mean Lower Low Water
Temperature range of record is 0.6 to 24.0 °C
Great Harbor, Massachusetts 2007
Water depth 5 m

Average daily water temperature, °C

Temperature logger located at Iselin Dock, Woods Hole Oceanographic Institution, Woods Hole, MA
Depth of logger is 5 m relative to Mean Lower Low Water
Temperature range of record is -0.9 to 23.8 °C
Great Harbor, Massachusetts 2008
Water depth 5 m

Average daily water temperature, °C

Julian Day

Temperature logger located at Iselin Dock, Woods Hole Oceanographic Institution, Woods Hole, MA
Depth of logger is 5 m relative to Mean Lower Low Water
Temperature range of record is 1.2 to 23.7 °C
Great Harbor, Massachusetts 2009
Water depth 5 m

Average daily water temperature, °C

Temperature logger located at Iselin Dock, Woods Hole Oceanographic Institution, Woods Hole, MA
Depth of logger is 5 m relative to Mean Lower Low Water
Temperature range of record is -0.3 to 23.5 °C
Great Harbor, Massachusetts 2010
Water depth 5 m

Average daily water temperature, °C

Temperature logger located at Iselin Dock, Woods Hole Oceanographic Institution, Woods Hole, MA
Depth of logger is 5 m relative to Mean Lower Low Water
Temperature range of record is -0.2 to 23.6 °C
Great Harbor, Massachusetts 2011
Water depth 5 m

Average daily water temperature, °C

Temperature logger located at Iselin Dock, Woods Hole Oceanographic Institution, Woods Hole, MA
Depth of logger is 5 m relative to Mean Lower Low Water
Temperature range of record is -0.2 to 23.6 °C
